Perfil

A hand-drawn wireframe diagram of a user profile page. The page has a header with two wavy lines, a logo placeholder, and three empty boxes. Below the header is a title box labeled "Título". To the left of the main content area is an "Avatar" placeholder. The main content area contains a grid of four columns and five rows, and at the bottom is a footer bar labeled "ARCHIVOS eval (admin)".

The wireframe illustrates a user interface for managing clients. At the top, there is a header section with two wavy lines, a logo placeholder, three empty boxes for navigation or search, and a circular icon. Below the header is a large rectangular area containing a title placeholder and an "Editor clientes" button. The main content area features a table with five columns: ID, Email, Phone, Name, and Position. Each row in the table includes "editar" and "eliminar" buttons in the last column.

ID	Email	Phone	Name	Position	
	Paloma@dy.es	57769790	Paloma	Pérez	<button>editar</button> <button>eliminar</button>
					<button>editar</button> <button>eliminar</button>
					<button>editar</button> <button>eliminar</button>
					<button>editar</button> <button>eliminar</button>
					<button>editar</button> <button>eliminar</button>

The wireframe illustrates a user interface for creating a new blog post. At the top, there are two decorative wavy bars. Below them is a header section containing a logo icon, three empty input fields, and a circular element. The main content area is organized into several horizontal input fields:

- A large input field labeled "Título".
- An input field labeled "Título entrada".
- An input field labeled "Resumen".
- An input field labeled "contenido".
- An input field labeled "fecha".
- A small input field labeled "subir" at the bottom.
